We look forward to seeing the new tanker once it arrives!

Thank you to John Rogash and the brave men and women of the Somers CFA who volunteer their time to keep us safe.

Dear Members of The Somers Residents Assoc.

On behalf of the members of the Somers Fire Brigade, I would like to thank you for your, generous support of our brigade. This money will be added to already donated funds, and will be used to complete the purchase of our new tanker which was due to arrive in late May, but is now expected in August due to Covid restrictions during the build.

Again thank you for your generosity and support.

Yours sincerely
